

Letter Of Authority

On Utility Ltd are hereby authorized to request, negotiate and obtain data, contract renewal prices and terms & conditions of the supply from energy supplier, utility supplier, distributors, meter operators, and data collection authorities, serve “notice of termination” in connection to our electricity and gas suppliers. They are further authorized to contact our current supplier to resolve any issues arising. Therefore, they can request all billing information and authorize any adjustments, refunds or billing amendments.

On Utility Ltd are hereby authorized to accept or sign new contract or agreement with prior agreement.

The Letter of Authority allows **On Utility Ltd** to contact our existing supplier to obtain the relevant Contract end date, debt or credit on account, annual consumption and current tariff information including standing charge and unit rates.

I give permission to share my information with a data intermediary to facilitate processing my contract.

This letter of Authority (LOA) supersedes any previous LOA and will remain valid until canceled.
